PORTFOLIO

PROFESSIONAL SUMMARY

Videographer, Camera Operator, and Video Editor with 4+ years producing broadcast-quality video for banking, luxury events, and digital platforms in Qatar and Morocco. Skilled across the full production cycle — multi-camera live coverage, cinematography, and post-production (Premiere Pro, DaVinci Resolve, After Effects) — with a track record of delivering under tight, high-pressure deadlines for corporate and executive audiences.

PROFESSIONAL EXPERIENCE

Videographer & Video Editor

2025 – Present

Platinum Auction — Doha, Qatar

- Elevated brand prestige for high-profile luxury auction events and promotional campaigns by delivering broadcast-quality, multi-camera video coverage on tight, non-negotiable deadlines.
- Strengthened social and digital engagement by producing platform-optimized promotional reels and product highlight videos in close collaboration with the marketing team.
- Streamlined post-production turnaround by owning the full pipeline — editing, color correction, and sound design — end to end for every event.

Videographer & Corporate Media Producer

2024 – 2025

Freelance / Contract — Clients: QNB Group, Bank Rayan — Doha, Qatar

- Delivered corporate video assets for QNB Group and Bank Rayan spanning internal communications, brand campaigns, and executive stakeholder presentations.
- Maintained on-time, brand-compliant delivery across high-profile banking events and press conferences by managing pre-production planning through executive-ready final cut.
- Operated DSLR, mirrorless, and broadcast cameras across a wide range of indoor corporate shoots by designing and running lighting setups tailored to each executive environment.

Freelance Videographer, Editor & Social Media Manager

2021 – 2024

Self-Employed — Morocco / Qatar

- Built a 4-year freelance practice delivering cinematic video across conferences, weddings, corporate events, and large-scale public events, from camera operation through final edit.
- Grew a loyal base of repeat and referral clients by consistently exceeding quality expectations while managing multiple simultaneous productions.
- Lifted content engagement for brand and agency clients, including a 2023 social media contract, by producing and analyzing performance-optimized video for Instagram, YouTube, and TikTok, then adjusting content strategy accordingly.
